**HELP is only a phone call away. The  
LRIS is more than just a Lawyer Refer-  
ral and Information Service — it's  
peace of mind.**

Finding a solution to your legal problem sometimes is just a phone call away. It's that simple when you contact the LRIS. You can call today to discuss your situation confidentially and free of charge with a LRIS staff attorney or paralegal. They can then determine whether or not you need a lawyer. In many cases the information you receive can solve your problem immediately.

However, if you do need a lawyer, the LRIS can make an appointment with a lawyer who has experience dealing with your type of problem. That attorney will only charge ~~\$15.00~~ for the first 1/2 hour. In addition, he can give you a realistic estimate of the costs for the services involved in your particular case. If you cannot afford it, special arrangements can be made for those in a difficult financial situation.

The new LRIS is a non-profit public service sponsored by the D.C. Bar. It was created for everyone regardless of race, color, creed or financial status. Each at-

torney participating with LRIS provides information sheets which show his particular experience and what his fees are for those services. This information is available to you and will help you choose the lawyer you feel is most appropriate for your specific needs. In addition, the LRIS can provide you with a pamphlet prepared by the Citizens Advisory Committee called "Finding and Hiring a Lawyer" which can also help you choose the right lawyer.

The Lawyer Referral and Information Service has attorneys experienced with many types of legal problems. Some of these are:

FAMILY PROBLEMS - support, custody, divorce, legal separation, adoption and name change

CONSUMER PROBLEMS  
BUYING OR SELLING REAL ESTATE  
CRIMINAL CHARGES

CONTRACTS AND BUSINESS AGREEMENTS  
LANDLORD AND TENANT PROBLEMS  
INDIVIDUAL/CIVIL RIGHTS

PERSONAL INJURY OR PROPERTY DAMAGE  
SUITS

The new Lawyer Referral and Information Service provides services for those of you who do not know if you have a legal problem, do not know how to locate an appropriate lawyer, and/or fear the cost of legal services. The information provided by the LRIS can assist you if you're confused by legal problems, legal procedures and legal services.
